PRESS RELEASE

FCL Builders Completes Warehouse & Distribution Facility in Minooka

Minooka, IL – September 5, 2019: FCL Builders has recently completed new construction of a 705,661 sq. ft. warehouse and distribution facility for a Fortune 500 company from the food & consumer products industry. The facility contains almost 700,000 sq. ft. of warehouse and packaging space along with 7,500 sq. ft. of office space.

The building meets American Institute of Baking (AIB) industry standards for food-grade facilities and includes a custom conveyor area for packaging food products, a clear height of 32 feet, 51 dock doors with vertical dock levelers and 150 parking stalls.

The team at FCL Builders, led by Project Manager Doug Klein, completed the building with precast construction, an ESFR fire protection system, and a modern building automation system for the company's warehouse needs.
